

ACC Leadership Symposium

With delegations from each of the 15 Atlantic Coast Conference (ACC) colleges and universities in attendance, the annual ACC Student Leadership Symposium is designed to develop a community of ACC undergraduate students who understand the relationship between global and local issues and work collaboratively to create innovative initiatives that advance students' capacity of global leadership. Students from each participating university will be grouped with peers from their fellow ACC schools for the duration of the conference. Student leaders from current ACC colleges and universities will have the opportunity to engage in educational sessions, hear keynote addresses, explore topical content, and participate in experiential application through their group project collaboration and presentations. This symposium takes place in late February every year.

Applications for the 2019-2020 symposium is closed. Check back soon for applications for the 2020-2021 cohort!
