First Day of Reservations: 9/2/14

Officially recognized student organizations may begin making reservations at 9:00am on Tuesday, September 2 for Spring 2015 Union Spaces and Fall 2014 General Purpose Classrooms at [ems.union.unc.edu/VirtualEMS/](https://ems.union.unc.edu/VirtualEMS/). Phone and walk-in requests will be accepted from 1:00pm?5:00pm on this date.

All organizations wishing to book space must take and pass the online reservations training [here](https://ems.union.unc.edu/VirtualEMS/) in order to make reservations in spaces booked through the Union?s Office of Event Services. Upon completion of the training module, users will receive a user ID and password for Virtual EMS, our online reservation tool. Due to increased volume, online trainings must be completed at least two business days prior to the First Day of Reservations.
