Student Org Recognition Application 
Due September 30

The application for official University recognition for the 2014-2015 year is now open. This is an annual process that occurs each fall, and in order to maintain a student organization's recognition from year to year this application will need to be submitted and approved. The deadline for submitting this application is September 30. The current primary contact for the organization should submit the registration. (Please note that this deadline is for existing groups to maintain recognition. Brand new groups may apply for initial recognition at any time between the first day of class in the fall and the last day of class in the spring.)

Official recognition gives your organization access to things such as the ability to reserve space on campus, request money from student government, and have an account with the Student Activities Fund Office, among others. If your organization wishes to have continued access to these resources for this academic year, it will need to submit an application by the September 30 deadline.
