

First Day of Reservations: January 21

Officially recognized student organizations may begin making reservations at 9:00am on Wednesday, January 21 for Fall 2015 Union Spaces and Spring 2015 General Purpose Classrooms at ems.union.unc.edu/VirtualEMS/ [1]. Phone and walk-in requests will be accepted from 1:00pm-5:00pm on this date.

All organizations wishing to book space must take and pass the online reservations training [here](#) [2] in order to make reservations in spaces booked through the Union's Office of Event Services. Upon completion of the training module, users will receive a user ID and password for [Virtual EMS](#) [1], our online reservation tool. Due to increased volume, online trainings must be completed by 5pm on January 16 to ensure that your organization receives a username and password prior to the First Day of Reservations.
