Standing in solidarity with the Asian American community

The Carolina Union stands in solidarity with the Asian American community and denounces all hate crimes against Asian Americans. The rise in violence against Asian Americans continues to grow with the tragic shootings in Atlanta, Georgia and the attacks in San Francisco, California. The Carolina Union creates safe, inclusive, and educational experiences for our community. We value and respect the diversity of our students and staff. We will continue to fight for racial justice in our community.
