

Student Staff Hunger Games Banquet

The Carolina Union recently honored all student employees at the year-end Hunger Games Banquet. The celebration, which took place in the Great Hall on Wednesday, April 29, recognized the hard work and dedication of student staff during the 2014-2015 year.

Both student and full-time employees arrived in extravagant attire to enjoy a feast fit for the Capitol. The evening was hosted by Union Director Crystal King, or "Effie," who presented student staff with awards throughout the evening. As the students dined, each of their district's victors participated in a dynamic fashion show. Students were also awarded for their efforts throughout the year, with District 5 winning the coveted Union Cup.

Other award recipients included:

Employees of the Year

Jessie Nash and Charles Realubit

Outstanding Commitment to the Union

Graham Berkelhammer, Courtney Jacobs, and Marissa Techmeier

The evening concluded with the announcement of the 2015-2016 Quest for the Union Cup theme: Superheroes!
