Civic Engagement

Student Life and Leadership coordinates nonpartisan civic engagement initiatives focused on voter outreach, education, and empowerment. Two Student Leadership Coordinators for Civic Engagement serve as the main facilitators and coordinators for the Civic Engagement Working Group, a collaborative space for student leaders, faculty, and staff, to engage around civic engagement initiatives on campus, as well as serve as resources to any students looking for ways to become civically engaged in the UNC or Chapel Hill community. Student organizations that intend to host voter registration events will complete an online training on how to register UNC students to vote, and may contact Natasha Young natasha.young@unc.edu [1] or Jordan Davis at davisjor@ad.unc.edu [2] with questions.
