First Day of Reservations: September 1

Officially recognized student organizations and departments may begin making reservations at 9:00am on Tuesday, September 1, for Spring 2016 Union Spaces and Fall 2015 General Purpose Classrooms at reservecarolina.unc.edu. Phone and walk-in requests will be accepted from 1:00pm?5:00pm on this date.

All organizations and departments wishing to book space must have a pre-existing Reserve Carolina account. If you need to request a new account or reset your password please select the link under accounts on the Reserve Carolina webpage. Due to increased volume, account requests and password resets must be completed by 5pm on Friday, August 28, to ensure that your organization receives a username and password prior to the First Day of Reservations.
