Chancellor's Awards

Each Spring, the UNC campus community comes together to honor outstanding students for academic achievement and campus leadership through their involvement in residential and Greek life, student self-governance, and many other areas. Held in our own Great Hall, The Chancellor's Awards ceremony is the only campus-wide student recognition program at Carolina. Please visit chancellorsawards.unc.edu for more information and event details.

The nomination period begins early in the Spring semester. For a nomination form, please click [here](#).
