Report a Concern / Hazing Hotline

Report a Hazing Incident

Please submit a hazing referral form [1] to report a hazing incident.

The University of North Carolina at Chapel Hill does not condone any type of hazing within the fraternity and sorority community. This form linked above is sent directly to the Director of Fraternity and Sorority Life.

****The University’s ability to investigate reported incidents, enforce the university’s expectations, and protect future students depends on the accuracy and specificity of the information provided. You are encouraged to provide as much specific detail as possible so that appropriate action can be taken to address the reported behavior. You have the option to submit a report anonymously, though officials may find it difficult to complete their investigation without knowing the source of the report. There is a far greater chance that an intervention to stop the behavior and process to hold people accountable will be successful if you can provide us with information to reach back out to you if necessary. We are able to keep your identity confidential through the investigatory process.****

Please consider calling the Office of Fraternity and Sorority Life at 919-962-8298 to provide more specific information.

The UNC Honor Code describes hazing as:

> Hazing that causes or permits an individual, with or without consent, to engage in activities that subject that individual or others to risks of physical injury, mental distress, or personal indignities of a highly offensive nature, in connection with recruitment, initiation, or continued membership in a society, fraternity or sorority, club, or similar organized group whether or not recognized by the University.
