Student Activities

We support student activities across campus that promote student growth, raise cultural awareness, and build community.

Through their participation in fun, positive, and new experiences, students will be able to develop a better understanding of self and others, as well as a broader perspective on culture and inclusiveness. There are three primary areas of Student Activities: [Carolina Union Activities Board](#), Large-scale Campus-Wide initiatives, and Heritage Month programming.

Learn more about opportunities to engage in or create programming below!
