## Heritage Month Programming

Throughout the year, Student Life & Leadership partners with student organizations and campus departments to recognize and celebrate important heritage month observances. Programming for these events often includes displays in the Union Art Gallery, events in The Pit or the West Lounge of the Union, and many other events and activities designed to promote cultural awareness and appreciation throughout our campus community. If your organization would like to participate in ongoing heritage month programs or if you would like to discuss new programming, please contact the Student Life & Leadership Office.

Please visit our photo gallery of past heritage events.
