

LEAD DIY

From the makers of the LEAD Challenge, The Office of Student Life and Leadership is proud to present the LEAD DIY (Do it yourself) Kits. Leadership development doesn't have to look like an in person workshop or a facilitated conversation. Leadership development can also be done from the comfort of your home over video chat with your friends and family! The LEAD DIY kits give you the necessary tools to dive into leadership topics in a fun and engaging fashion. Workshops will be posted every Monday between March 30th 2020 and the end of the semester! Due to these socially distant times, the LEAD DIY activities still count towards the completion of the overall LEAD Challenge (complete a minimum of 6 workshops and receive a certificate of completion and LEAD Lapel Pin). Lastly, the workshops are all designed to be done with others, so please connect with your family, your roommates, or whoever else through in person or virtual means and have some fun together!

We will be updating this site regularly with additional LEAD challenges so follow @carolinaunion on social media to find out when the next workshop is available!
