Workshop 1: Lost at Sea

You have chartered a yacht with three friends, for the holiday trip of a lifetime across the Atlantic Ocean. Unfortunately in mid Atlantic a fierce fire breaks out in the ships galley and the skipper and crew have been lost whilst trying to fight the blaze. You and your friends have managed to save 15 items, undamaged and intact after the fire. Do you have what it takes to survive as a team?

Download the [LOST AT SEA LEAD DIY](#) to find out how the story ends! Don't forget to complete the brief survey after to track your work! <http://go.unc.edu/LEADSurvey>
