

Student Organizations

We work with all student organizations to facilitate use of University resources and to empower students in their provision of services, programs, and activities.

Our goal is to enhance the academic experience, extend learning, and build community here at Carolina. There is a team of individuals that directly supports student organizations within SLL and is highly knowledgeable on the policies and procedures. All students are welcome to stop by our office and discuss opportunities to get involved on campus, or ask any questions you have about your student organization.

How can we help you?
