

Carolina Union Re-Opens to the Public

The Carolina Union has re-opened to the public. Several new policies and procedures have been adopted to keep our facilities safe for visitors and staff. These include:

- **Masks:** Masks must be worn in our building at all times, except while dining.
- **Cleaning and sanitation:** Our housekeeping staff will be cleaning regularly, with a focus on disinfecting high-touch surfaces.
- **Restrooms:** Restrooms will be open, but some sinks and stalls may be offline to enable spacing.
- **Spacing:** Signs and markings throughout the Union will indicate required spacing. We may limit entry to the building if maintaining space is difficult.
- **Entrances and Exits:** Please enter through indicated doors, and follow flow of foot traffic guides.
- **Closed Spaces:** The East Wing of the building is closed to the public. Signs will clearly mark areas that are closed.
- **Food Service:** Wendy's and Alpine Bagel will be open starting August 3. Hours may vary depending on county/state mandates.
- **Hours:** Building hours will be Monday-Friday from 7:30am-11pm, Saturday 9am-11pm, and Sunday 11am-11pm.

Please visit go.unc.edu/safeunion for detailed information. Darian Abernathy, chair of our Board of Directors, discusses our new policies in the video below:
