New Pit Information

Starting in the Spring, the Pit will be divided into 3 areas rather than 2 in order to accommodate more groups and activities in a highly visible space. Between 10am-2pm, the Pit is split into 3 sections; a single group may reserve up to two adjacent sections. Pit 1 is closest to the Union, Pit 2 is closest to the Undergraduate Library, and Pit 3 is located between the trees in the center of the Pit.
