

Get Involved With CUAB!

This is your CUAB, and we want to hear your ideas!

All students are welcome to join volunteer committees to bring your ideas to life. By joining a committee, you'll gain valuable teamwork and leadership experience and be a part of some of Carolina's highest profile activities. Your involvement - attending weekly meetings, brainstorming ideas, planning and executing programs - helps CUAB provide the campus with outstanding activities and events all year long.

Committee Meetings

Each committee programs events for their designated area. All committee meetings are thirty minutes long and held in the CUAB office, room 2519 in the FPG Student Union.
