Workspace and Storage in the Union

There is an annual process for the allocation of the workspaces and storage areas within the Frank Porter Graham Student Union building for use by student organizations. This process occurs early in the spring semester of each year, and all currently registered student organizations may apply for space. Status as a current occupant does not guarantee space again the next year. All groups, even those with space currently, must submit an application to be considered for the following year.

Additional information, including the current allocation listing, can be found in the Related Documents at the bottom of this page.

For more information email studentlife@unc.edu.
