

# Chapter Academic Goal Setting Worksheet

Date:

Person Completing Form:

Chapter/Organization:

University:

## **Chapter Academic Performance**

Chapter's most recent term GPA:

Chapter's most recent cumulative GPA:

New member class term GPA:

Number of chapter members:

Number of members below chapter GPA requirement:

Number of new members below chapter GPA requirement:

Number of members receiving a 4.0 term GPA:

Number of members with GPA above all-male/female average:

## **Community Academic Performance**

Council average term GPA:

Rank in council/community:

Council average cumulative GPA:

All-male/female term GPA:

All-male/female cumulative GPA:

## **Reflection on Past Academic Performance**

What is the academic environment of your chapter? Discuss the attitudes toward classes and learning as well as chapter living environment if applicable.

What has or has not worked in the past to improve academic performance?

**Target Academic Performance**

Select goal GPAs for the upcoming term.

Chapter Term GPA Goal:

Chapter CUM GPA Goal:

Minimum Individual Term GPA:

**Academic Programming**

Identify at least 3 academic-related topics or programs that would benefit your members in the next term:

**Chapter SMART Goals – Specific, Measureable, Achievable, Realistic, and Timely**

Create at least 3 goals for the upcoming semester/term/year for the chapter. Be sure they include who, what, when and how. You can create goals in any or all of the following areas: academic performance, academic and educational programming, new member academic performance, faculty engagement, etc.

*Example: All members on academic probation will achieve a 2.5 or higher term GPA during the next term*

Goal 1:

Goal 2:

Goal 3:

Additional Goals:

What assistance will you need in achieving these goals? Please include any university or fraternity/sorority resources or faculty/staff you may need to consult to achieve these goals.

**Academic Incentives & Rewards**

How will the chapter celebrate the achievement of the above goals?

How will the chapter recognize/reward individual members' academic achievements?
