

Student Life & Leadership does not recommend a specific banking institution—it is up to the student organization to review account options and select an account that best fits the group’s needs. The following banks responded to our inquiry for information regarding accounts that might be compatible with a student organization's banking needs, but these are not the only banking institutions with offices in Chapel Hill. This information was current as of August 15, 2017, and serves to show examples of the types of account options available and required documentation. You will need to speak with the individual banks for up-to-date information and to ask any questions about account details and other possible account options. For more information about setting up an off-campus account, see <https://carolinaunion.unc.edu/departments/student-life-leadership/student-activities/finances/>.
